

This is a detailed architectural floor plan of a building. The plan shows a complex arrangement of rooms, corridors, and service areas. A specific section in the bottom right corner is highlighted in a solid teal color, indicating a designated area of interest. This highlighted area contains several rooms, including what appears to be a large open space, a kitchen area with a sink and stove, and several smaller rooms. The rest of the plan is rendered in black lines on a white background, with various rooms and corridors labeled with letters and numbers. The building's footprint is irregular, with several protrusions and recesses. The highlighted section is located at the bottom right, adjacent to a large, open area that might be an outdoor space or a large hall. The overall layout suggests a multi-functional building, possibly a school, office, or community center.
